THE POETRY OF JORGE LUIS BORGES

A poetry performance by

NESTOR SAIED and MARCO CALVANI

Performance in Spanish and English.

Genere: literature and art.

The program consists of a performance of poetry of Jorge Luis Borges with the participation of two actors and two languages Spanish and English for the duration of 60 minutos. All interconnected with a video testimony, photographs and clips of files - the videos made for this event under the direction of the young Italian film Francesco Giannetti.

The target of the performance is to offer the public a sample of poems and poetry among the best known of Borges. Extracts from his seminal collections and universal stories. Two actors and two languages have the inherent musicality of poetry interwoven Borges in a performance with music, words, testimonials and video file.

Performance: 18 June 2015 6.00 pm
